Zoom sur les alarmes techniques

The image displays a mobile application interface for a home automation system. The main screen shows a floor plan of the first floor, specifically the Great Room area. The floor plan includes rooms like BK/AR (11.30'x11.40'), Kitchen (13.0'x16.80'), Great Room (19.20'x19.20'), and Master Bedroom (15.90'x20.00'). A red box highlights an 'Office Window' sensor on the floor plan. To the right of the floor plan, there is a green header with the date 'Friday 04.12.2009', the Schneider Electric logo, and the user 'Default User'. Below the header, a red-bordered box contains the text 'ALERT! Office Window' and the timestamp 'Friday 04.12.2009 11:14 am'. Below this, there are four buttons: 'Call Police', 'Give Alarm', 'Give silent alarm', and 'Ignore'. At the bottom of the main screen, there is a navigation bar with icons for 'HOME', 'Arm', 'Disarm', 'Save Mode', 'Sleep', 'Holiday', 'Entertain', and 'Alarm Log'. On the left side, there is a vertical menu with icons for 'Function', 'Climate', 'Media', 'Security', and 'Communication'. An inset window in the bottom right corner shows a detailed alert message: 'ALERT Concerns: all blinds Because of the actual wind velocity blinds cannot be lifted up.' with an 'OK' button and a 'Back' button. The inset window also shows the Schneider Electric logo and the date 'Friday 04.12.2009'.
